## New fees for 2018

Our Transactional account gives you access to a wide range of banking services and value added features. This pricing guide will enable you to best understand the services provided as well as the cost associated with those services. All these fees apply from 1st March 2018

## Managing your bank fees

You can save on banking cost by making use of our cost effective electronic banking services (ATM, POS, Internet Banking, Mobile Banking and Email Alerts). Using an electronic service is also less risky than handling and transporting cash.

These services are available 24 hours a day, seven days a week. They are designed to assist you in managing your finances by giving you access to information and transactions at times most convenient for you.

## Security

Handling cash is expensive and risky. Electronic payments should be encouraged wherever possible. If handling large amounts of cash is unavoidable, speak to us and we may help in managing both the risk and cost associated with using cash.

Do not allow anyone to use your Stanbic Bank Debit card and never reveal your PIN (Personal Identification Number) to anyone. If you think someone else knows your PIN, ask one of our consultants to stop all activity on your card and we will replace it immediately.

## Managing your money

Keep the following in mind when managing your funds.

- Monitor the balance on your account. You can check your

balance at any ATM or via Internet/Mobile Banking channel. Alternatively, please sign up to receive SMS & Email Alert notifications.

You can also draw a mini-statement at any ATM machine. This is cheaper than a counter statement in the branch.

- Talk to us if you think you might exceed your overdraft limit or overdraw your account. We may be able to increase your overdraft or make one available to you.

## Keeping cost down

Remember that you could keep your costs down by carefully choosing how you do transactions.

- Using a Stanbic Bank ATM to make a cash withdrawal is cheaper than doing it over the counter in a branch.
- Using internet banking to initiate transfers is cheaper than doing it over the counter in a branch.
- Always have enough money in your account to cover your standing and debit orders. You may have to pay a fee if there is not enough money in your account, and transactions could be unpaid.
- Ensure that you have enough money to meet regular payments like loan repayments and debit orders.
- Keep your Stanbic Bank card in a safe place to avoid paying for replacements.
